

# KNOW THE FACTS

## of Affordable Care Act Breastfeeding Insurance Plan Coverage

### COPAYMENTS

Your insurer cannot make you pay a co-payment, co-insurance, or deductible for a Women's Preventative Service which includes breastfeeding support, supplies, and counseling.

### NETWORK

If your insurer has no in-network providers to refer you to, your costs for seeing an out-of-network provider must be eligible and be paid free of co-payments, co-insurance or deductibles.

### DURATION

Breastfeeding support, supplies, and counseling are eligible the entire time you are breastfeeding - both in the hospital and after you go home.

### FREQUENCY

Breastfeeding support, supplies, and counseling are eligible with every birth.

ACA'S BREASTFEEDING  
REQUIREMENTS.**

**CONSUMERS SHOULD REPORT  
PLANS THAT ARE IN VIOLATION OR  
CLAIMS THAT ARE INCORRECTLY  
PAID.**

## VIOLATIONS REPORTING

Most consumers with non-grandfathered health care plans should notify their state insurance commissioner's office when they identify a plan or billing violation.
